

# The Corrs, No Good For Me

I see a home in a quiet place  
I see myself in a strong embrace  
And I feel protection from the human race  
It's not parental

But it's a fantasy, not a reality  
And it's no good, no, no good for me, you have no idea

That I'm walking through the clouds  
When you're looking at me  
I'm feeling like a child  
Vulnerability  
I am shaking like a leaf if you move beside me  
And you're all that I see  
But it's no good for me

You have a home (You have a home), in a quiet place  
And someone else feels your strong embrace  
She is protected and she needs no chase  
And do you love her???

You're a mystery, you are the heart of intrigue  
You're no good no no good for me  
You have no idea

That I'm walking through the clouds  
When you're looking at me  
I'm feeling like a child  
Vulnerability  
I am shaking like a leaf if you move beside me  
And you're all that I see  
But it's no good for me  
No it's no good for me, no good for me

It's a make-believe, you have no idea  
That I'm walking through the clouds  
When you're looking at me  
I'm feeling like a child  
Vulnerability  
I am shaking like a leaf if you move close to me  
And you're all that I see  
But it's no good for me

Through the clouds  
When you're looking at me  
I'm feeling like a child  
Vulnerability  
I am shaking like a leaf if you move beside to me  
And you're all that I see  
But it's no good, no good for me
