

The Corrs, On My Father's Wings

If you were with me now
I'd find myself in you
If you were with me now
You're the only one who knew
All the things we planned to do

I want to live my life
The way you said I would
With courage as my light
Fighting for what's right
Like you made me believe I could

And I will fly on my father's wings
To places I have never been
There is so much I've never seen
And I can feel his heartbeat still
And I will do great things
On my father's wings

This world I'll never see
My dreams that just won't be
This horse's stride
with one days ride
Will have covered more
distance than me

But I will fly on my father's wings
To places I have never been
There is so much I've never seen
And I can feel his heartbeat still
And I will do great things
On my father's wings

Someday with his spirit to guide me
And his memory beside me
I will be free to

Fly on my father's wings
To places I have never been
There is so much I've never seen
And I can feel his heartbeat still
And I will do great things
On my father's wings
On my father's wings
