

# The Corrs, On My Father's Wings

If you were with me now  
I'd find myself in you  
If you were with me now  
You're the only one who knew  
All the things we planned to do

I want to live my life  
The way you said I would  
With courage as my light  
Fighting for what's right  
Like you made me believe I could

And I will fly on my father's wings  
To places I have never been  
There is so much I've never seen  
And I can feel his heartbeat still  
And I will do great things  
On my father's wings

This world I'll never see  
My dreams that just won't be  
This horse's stride  
with one days ride  
Will have covered more  
distance than me

But I will fly on my father's wings  
To places I have never been  
There is so much I've never seen  
And I can feel his heartbeat still  
And I will do great things  
On my father's wings

Someday with his spirit to guide me  
And his memory beside me  
I will be free to

Fly on my father's wings  
To places I have never been  
There is so much I've never seen  
And I can feel his heartbeat still  
And I will do great things  
On my father's wings  
On my father's wings
