

# The Corrs, Stay ( You Say)

You say I only hear what I want to  
You say I talk so all the time, so  
And I thought what I felt was simple  
And I thought that I don't belong  
And now that I am leaving  
Now I know that I did something wrong  
'Cause I missed you  
Yeah, I missed you

You say I only hear what I want to  
I don't listen hard  
Don't pay attention to the distance that you're running  
To anyone, anywhere  
I don't understand if you really care  
I'm only hearing negatives  
No, no, no, no

So I turn the radio on  
I turn the radio up  
And this woman was singing my song  
Lovers in love and the other's run away  
Lover is crying 'cause the other won't stay  
Some of us hover while we wait for the other  
Who was dying since the day they were born  
Well, this is not that I think that's it not that I'm throwing  
But I'm thrown

And I thought I'd live forever  
But now I'm not so sure  
You try to tell me that I'm clever  
But that won't take me anyhow  
Or anywhere with you

And you said that I was naive  
And I thought that I was strong  
I thought hey I can leave  
I can leave  
But now I know that I was wrong  
'Cause I missed you  
Yeah, I missed you

You said you caught me 'cause you want me  
And one day you let me go  
You try to give away a keeper  
Or keep me 'cause you know you're just so  
Scared to loose  
You say stay  
You say I only hear what I want to
