

The Cramps, Human Fly

Well I'm a human fly
I-I said F-L-Y
I say "buzz buzz buzz"
A-and it's just becuz
I-I'm a human fly
A-and I don't know why
I got 96 tears and 96 eyes

I got a garbage brain
That's drivin' me insane
And I don't like the ride
So push that pest aside
And baby I won't care
'Cuz baby I don't scare
'Cuz I'm a reborn maggot using germ warfare
Rock!

I-I'm a human fly
I-I said F-L-Y
I-I say "bzz bzz bzz"
A-and it's just becuz
I'm a unzipped fly
A-and I don't know why
And I don't know why
But I say,

BZZZZZZZ
Rock tonight, and I say
BZZZZZZZ
Rocket ride, and I say
BZZZZZZZ
But I don't know why
Aw, I just don't know why
