

The Cramps, Sinners

Well, I tell you sinners, sinners
You're gonna go down there, down there
Yeah, you better be right
Sinner, you better be right

If you ain't right, you're goin' down there
You'll end up in the devil's pot of fire
Yeah, you'll end up in the devil's pot of fire
Yeah, you better be right

You'll see the devil, he'll be laughin'
You'll see sinners, they'll be cryin'
Yeah, you better be right
Sinner, you better be right, you better be right

If you ain't right, you're goin' down there
You'll end up in the devil's pot of fire
Yeah, you'll end up in the devil's pot of fire
Yeah, you better be right

You'll see the devil, he'll be laughin'
He'll see sinners, there'll be cryin'
Yeah, you better be right
Sinner, you better be right, you better be right
