

The Cranberries, Capetown

I am anticipating
My trip to Africa
Oh I have always been waiting
Far to long
I 'm not going to soundcheck
There is to much to do
I'm not going to soundcheck
I'm far from you

Amazing, Africa
Am I far from you

5 O'clock in the morning
My feet will touch the ground
5 O'clock in the morning
No no sound

We can take a safari
All around
Go see table top mountain
In cape town

Amazing Africa

Am I far from you

Better stay
