

The Cranberries, I Still Do

I'm not ready for this
though I thought I would be
I can't see the future
though I thought I could see
I don't want to leave you
even though I have to
I don't want to love you
Oh I still do

Need some time to find myself
You wouldn't live with it
Can I go my own way
Can I pray my own way
I don't want to leave you
Oh I need you

Am I ready for this
Did I think I would be
Can I see the future
No, I can't see

I don't want to leave you
Even though I have to
I don't want to love you
Oh, I still do
Oh, I still do
Oh, I still do
