

The Cranberries, Ordinary day

This is just an ordinary day
Wipe the insecurities away I can see that the darkness will erode
Lookin out the corner of my eye I can see that the sunshine will explode
Far across the desert in the sky

Beautiful girl won't you be my inspiration
Beautiful girl don't you throw your love around
What in the world, what in the world could ever come between us
beautiful girl, beautiful girl
I'll never let you down, won't let you down

This is the beginning of your day Life is more intricate than it seems
Always be yourself along the way
Living through the spirit of your dreams Beautiful girl won't you be my inspiration

Beautiful girl don't you throw your love around
What in the world, what in the world could ever come between us
beautiful girl, beautiful girl
I'll never let you down, won't let you down, down won't let you down, down down, down won't let you
Beautiful girl won't you be my inspiration

Beautiful girl don't you throw your love around
What in the world, what in the world could ever come between us
beautiful girl, beautiful girl
I'll never let you down, won't let you down, down
