

# The Cranberries, Still Can't... (Recognize The Way I Feel)

Still can't recognize the way I feel  
Nothing of what you said to me was real  
And you still can't find the strength to apologize  
He lies  
You just go on laughin' and tellin' everyone lies

'Cause you wanted it all  
You wanted it all  
You wanted it all  
No, and there's nothin' at all  
There's nothin' at all  
There's nothin' at all

Maybe if you could see beyond your nose  
Who knows  
Nothing of what has happended surely shows  
But your ego excelled and then your attitude  
And you go on laughin' and shoutin', it's all too soon

'Cause you wanted it all  
You wanted it all  
You wanted it all  
No, and there's nothin' at all  
There's nothin' at all  
There's nothin' at all

Still can't recognize the way I feel  
Nothing of what you said to me was real  
And you still can't find the strength to apologize  
He lies  
You just go on laughin' and tellin' everyone lies

'Cause you wanted it all  
You wanted it all  
You wanted it all  
No, and there's nothin' at all  
There's nothin' at all  
There's nothin' at all

Wanted it all  
wanted it all  
You wanted it all
