

# The Cranberries, This Is the Day (Dub)

WORDS BY D. O'RIORDAN. MUSIC BY D. O'RIORDAN

I never had a friend like you this is the day  
Your skin is white, your eyes are blue this is the day

But the wind might change I will still remain  
I will always be there for you

Those thoughts they circle in my mind, this is the day  
The demons I can't leave behind this is the day

Don't be insecure I'll be at your door  
I will always be there for you

Faith will save you, faith will save you  
Faith will save you, stay safe  
Par forth thy grace into my mind, this is the day  
Par forth thy grace, thou art devine, this is the day  
Don't be insecure I'll be at your door  
I will always be there for you

Faith will save you, faith will save you  
Faith will save you, stay safe  
But the wind might change I will still remain  
I will still be here  
But the wind might change I will still remain  
I will always be there for you  
Faith will save you, faith will save you  
Faith will save you, stay safe
