

# The Creatures, Killing Time

I wait and wait... sleepwalk the hourglass  
This way and that... the pendulum swings  
Yes, there's plenty of time... always time left to kill  
Does time stand still or hurtle on by?

Let time unwind... let all the cogs fall out  
Let man's machines collapse and rust  
Face down in the dust... I'll kiss no other lips  
A lifetime of nothing, condemned without you

Been so long here... I could die here  
Lying by your side  
But time won't claim me, time and me only  
I'm just killing time

If the sun went out, I wouldn't mind too much  
Who needs the days to trouble to fill?  
If the moon didn't rise, I wouldn't be upset  
Who needs moonshine to cause tears to spill?

I've been so long here... I could lie here  
Under dying sky  
This thirst and hunger holds no wonder  
I'm just killing time

I await your return,  
There's no other one.
