

The Creatures, Prettiest Thing

I am gone - I am sold
Can I take her home while I am sleeping
I put it on - fits so well
Dead fish floating up to the ceiling

She's the prettiest thing I've ever seen
Such a beautiful violence moving in
She's the prettiest thing I've ever seen
Prettiest thing I'm moving in

I put it on - it fits my soul
You know she spoke these words
While she was sleeping
Razor's edge... sliding in
Razor's edge...
Wanna feel my fingers dipping in
Dip in

She's the prettiest thing I've ever seen
Such a beautiful violence coming in
Dip in
She's the prettiest thing I've ever seen
Such a beautiful violence moving in
She's the prettiest thing I've ever seen

Never say never, do it again
Dip in

She's the prettiest thing I've ever seen
Prettiest thing I'm moving in
She's the prettiest thing I've ever seen
Prettiest thing... I'm coming in
