The Creatures, Tourniquet

Pushing too hard-trying too hard Force against force- negates itself You grind & prind Time after time

So tightly wound so tightly bound A strangling sound- ground to the ground Unwind & amp; unfurl Unwind & amp; uncurl

Land locked- turned to rock Land locked- your power blocked You grind & Dind- running blind

Constrictor of thought- constrictor of breath Toiling a square with a circular peg You grind & Dind- running blind

Land locked- turned to rock Land locked- you power blocked Stem the flow- tourniquet Dam the tide- tourniquet Wind & Damp; you bind Time after time

Pushing too hard-trying too hard Force against force- negates itself You grind & prind Time after time

Stem the flow- dam the tide Turn the screw- turn the screw
