

# The Cribs, Baby Don

Now and again I've got a lot to say  
And I can't afford you this one  
Oh yeah, she asks me where I'm going  
Now and again I'll find a friend who knows  
She asks me where I'm going  
Oh yeah, she asks me where I'm going

Well if you're always in debt  
Baby don't sweat  
I promise it will always be fine  
I'll never forget  
I'm always in debt  
Baby you opened my mind

Now and again I've got a lot to say  
And I can't afford you this one  
Oh yeah, she asks me where I'm going  
Now and again I'll find a friend who knows  
She asks me where I'm going  
Oh yeah, she asks me where I'm going

Well if you're always in debt  
Baby don't sweat  
I promise you it'll always be fine  
I'll never forget  
I'm always in debt to you  
Baby you opened my mind

So if you're always in debt  
Baby don't sweat  
I promise you'll always be fine  
I'll never forget you  
I'm always in debt to you  
Honey you blew my mind

Now and again I've got a lot to say  
And I can't afford you this one  
Oh yeah, she asks me where I'm going  
Now and again I find a friend who knows  
She asks me where I'm going  
Oh yeah, she asks me where I'm going
