

The Cross, Dirty Mind

Some people look for love and affection
That was never my scene
I was looking for a different perfection
I wanna girl that talks mean
Some people go for poets and flowers
Means nothing to me
She's gotta look good in the shower
I'll stay in there for hours and hours
I've been around the world
I wanna lover (I wanna lover)
I wanna lover (I wanna lover)
I wanna lover with a dirty mind
I wanna lover (I wanna lover)
I wanna lover (I wanna lover)
I wanna lover with a dirty mind

Some people look for faith and devotion
They're bringin' me down
Why swim against the tide of emotion
When you could be tied down
I'm gonna treat romance like a tumour
I'm cuttin' it out
I'm sick to death of hearsay and rumour
I need a girl with some sense of humour

I've been around the world
I wanna lover (I wanna lover)
I wanna lover (I wanna lover)
I wanna lover with a dirty mind
I wanna lover (I wanna lover)
I wanna lover (I wanna lover)
I wanna lover with a dirty mind

Every now and then it occurs to me
I'm caught up in the web of morality

Well I've been around the world
And nowhere could I find - yeah
I don't care if she's woman or a girl
I wanna lover with a dirty mind - yeah

I wanna lover (I wanna lover)
I wanna lover
I wanna lover with a dirty mind
I wanna lover (I wanna lover)
I wanna lover (I wanna lover)
I wanna lover with a dirty mind...
