

The Cross, Top Of The World Ma

I'm on top of the world ma
On top of the world
You know I got me a girl ma
She makes my kiss curl curl
She got some kind on witch craft
And its a working on me
What you get ma is what you see

She's a voodoo child when she weaves her spell
Gonna send me dancing to the gates of Hell

Is this the end of the world ma
Is this the end of the world
I think I'm losing control ma
You know my head's in a whirl
She's got her own kind of voodoo
And it's a working on me
When we get gymnastic ooooo

Well she can make me rock she can make me roll
She makes me mad bad and dangerous to know

She's a voodoo child she's a living doll
She can crack the sky watch the angels fall

I'm on top of the world ma
I'm on top of the world
I'm on top of the world ma
On top of the world
On top of the world
I'm on top of the world
On top of the world ma
I'm on top of the world
I'm on top of the world
On top of the world ma
I know you honey I'm on top of the world
