

The Cult, Edie (Ciao Baby)

Always said you were a youthquaker, Edie
A stormy little world shaker
Oh, Warhol's darling queen, Edie
An angel with a broken wing

The dogs lay at your feet, Edie
A wind caressed your cheek
Ooh, stars wrapped in your hair
Ooh, life without a care
But your not there

Oh, caught up in an inward sea, Edie
Yeah, paradise, a shattered dream
Oh, wired on the pills you took, Edie
Your innocence dripped blood, sweet child

The dogs lay at your feet, Edie
A wind caressed your cheek
Ooh, stars wrapped in your hair
Ooh, life without a care
Ciao baby

Shake it, boy

Oh, sweet little sugar talker
Paradise dream stealer
Oh, Warhol's little queen, Edie
An angel with a broken wing, oh

The dogs lay at your feet, Edie
A wind caressed your cheek, well
Stars wrapped in your hair
Ooh, life without a care
Yeah, yeah, yeah

Why did you kiss the world goodbye?
Ciao baby
Don't you know paradise takes time?
Ciao, Edie
Why did you kiss the world goodbye?
Ciao baby
Don't you know paradise takes time?
Ooh, ciao, Edie
Ciao baby, yeah
Ciao baby
Ciao baby, yeah
Ciao baby
