

The Cult, Judith

Comes and goes
And goes, she comes
No man will ever
Make her moan
Break her bones

Hey Judith
Judith
Hey, hey

On the weight of a storm
She comes and goes

Oh Judith
Yeah, Judith
Oh Judith

Judith
Judith
Oh Judith
Oh Judith

No man will ever
Break her bones
Break her bones
With fire in her halo
She comes and goes, yeah

Judith
Judith
Judith
Judith

Judith
Judith
Judith
There she goes
Judith

Hey, yeah...

Judith...
