

# The Cult, Love Trooper

Hey little love trooper,  
blitzkreig your way  
into my heart

Hey little love trooper  
blitzkreig your way  
into my heart.

I'm hopin' now  
I'm hopin now, yeah!

You're a crazy little girl  
sunshine in my world.  
You melt into my heart  
like the sunset in the west  
crazy baby, crazy baby, crazy baby!  
Ohh ooh ohhh... crazy.

Hey little warrior  
break down the doors  
into my heart.  
Hey little warrior  
break down the doors  
into my heart.  
I'm hopin now... oh yeah.

I'm hopin now!  
I'm prayin now!  
I'm waitin' now!

And I'm wasted and abused  
waiting for you.  
Like a chocolate sunshine  
oh, she melts into my mind.

Hey little love trooper x2  
hey little love, hey little love x2  
(Music)  
Yeah!

I've been a crazy, crazy, c-c-crazy  
waitin for you  
waitin for you, baby yeah!  
(Music)

You're a crazy little girl  
sunshine in my world  
You melt into my heart  
like the sunset from the west.  
I'm wasted and abused  
waitin for you!  
Like a chocolate sunshine  
oh, she melts into my mind.
