

# The Cure, A Sign From God

You know I'm sorry if you misunderstood  
But your confusion is a bit overdone  
I was only in to do it some good  
I was only in to have some fun  
I went out of my way to get this bad  
And you still don't get how far  
But now I'm back! I'm new!  
And it's a wonderful thing  
But you still don't get how things are...

Not superstition - I'm talking hideous kinky  
No not religion - I'm talking serious oobe  
Not science fiction - I'm talking horrible freaky  
Yeah all the stuff you don't believe in  
Well that stuff is for real

Got myself a change of life  
Got myself a change of style  
Got myself a new direction  
Got myself a reason why  
I just fell right out of my face one day  
And I took it as a sign from God  
And now I'm feeling good  
And I'm moving up  
And I've got to do it now

Yeah I'm sorry if you misunderstood  
But your condition is a touch overplayed  
I was only in to do it some good  
I was only in to get it made  
I went way out of my way to get this bad  
And you still don't get how far  
And now I'm back! I'm new!  
And it's a wonderful thing  
But you still don't get how things are...

Not superstition - I'm talking hideous kinky  
No not religion - I'm talking serious oobe  
Not science fiction - I'm talking horrible freaky  
Yeah all the stuff you don't imagine  
Well it's happening to me

Got myself a change of life  
Got myself a change of style  
Got myself a new direction  
Got myself a reason why  
I just fell right out of my face one day  
And I took it as a sign from God
