The Cure, Cold

Scarred
Your back was turned
Curled like an embryo
Take another face
You will be kissed again
I was cold as I mouthed the words
And crawled across the mirror

I wait Await the next breath Your name Like ice into my heart

A shallow grave A monument to the ruined age Ice in my eyes And eyes like ice don't move Screaming at the moon Another past time

Your name Like ice into my heart

Everything as cold as life Can no-one save you? Everything As cold as silence And you will never say a word

Your name Like ice into my heart
