

# The Cure, Fire In Cairo

Slowly fading blue  
The eastern hollows catch  
The dying sun  
Night time follows  
Silent and black  
Mirror pool mirrors  
The lonely place  
Where I meet you

See your head  
In the fading light  
And through the dark  
Your eyes shine bright

And burn like fire  
Burn like fire in Cairo  
Burn like fire  
Burn like fire in Cairo

Shifting crimson veil  
Silken hips slide  
Under my hand  
Swollen lips whisper my name  
And I yearn  
You take me in your arms  
And start to burn

F.I.R.E.I.N.C.A.I.R.O  
Then the heat disappears  
And the mirage  
Fades away...

F.I.R.E.I.N.C.A.I.R.O

Burn like a fire in Cairo  
Burn like a fire  
Blaze like a fire in Cairo  
Blaze like a fire  
Flare with a wonderful light  
Like a fire in Cairo  
Burn like fire  
Burn like  
Fire in Cairo
