## The Cure, I Just Need Myself

I know that I don't love you But I tell you that I do But I only buy you flowers If I want anything from you You say that if you'll leave me It will put me on a shelf But I don't need you girl I just need myself I just need myself You trust in all my lies You'll believe it when you see it be forever So you let me have my way But I'll make it that I'll leave you 'Cos I just need myself I just need myself I know that I don't love you But I tell you that I do But I only buy you flowers If I want anything from you You think that if you'll leave me It will put me on a shelf But I don't need you girl I just need myself I just need myself I just need myself I just need myself I just need...
