

# The Cure, Just One Kiss

Remember the time that you rained all night  
The queen of Siam in my arms  
Remember the time that the islands sank  
But nobody opened their eyes

Remember that time that the trees fell down  
The wood crashing through the wall  
Remember the sound that could wake the dead  
But nobody woke up at all

Somebody died for this  
Somebody died for just one kiss

Remember the time that the sky went black  
We waited alone on the sands  
Remember the taste of the raging sea  
But nobody held out their hands

Somebody died for this  
Somebody died  
For just one kiss

Just one kiss  
Just one kiss
