

# The Cure, Maybe Someday

No I won't do it again, I don't want to pretend  
If it can't be like before I've got to let it end  
I don't want what I was, I've had a change of head  
But maybe someday...  
Yeah maybe someday

I've got to let it go and leave it gone  
Just walk away, stop it going on  
Get too scared to jump if I wait too long  
But maybe someday...

I'll see you smile as you call my name  
Start to feel, and it feels the same  
And I know that maybe someday's come  
Maybe someday's come...  
Again!

so tell me someday's come tell me some days come again...

No I won't do it some more, doesn't make any sense  
If it can't be like it was, I've got to let it rest  
I don't want what I did, I had a change of tense  
But maybe someday...

I'll see you smile as you call my name  
Start to feel, and it feels the same  
And I know that maybe someday's come  
Maybe someday's come...

If I could do it again maybe just once more  
Think I could make it work like I did it before  
If I could try it out  
If I could just be sure  
That maybe someday is the last time  
Yeah maybe someday is the end  
Oh maybe someday is when it all stops  
Or maybe someday always comes again...
