

# The Cure, One More Time

I'd love to touch the sky tonight  
I'd love to touch the sky  
So take me in your arms  
And lift me like a child  
And hold me up so high  
And never let me go  
Take me  
Take me in your arms tonight

Hold me  
Hold me up so high  
And never let me down  
Hold me  
Hold me up so high  
To touch the sky  
Just one more time

Take me in your arms tonight  
Take me in your arms  
Just one more time  
Just one more time  
Just one more time
