## The Cure, Pictures Of You (Extended Dub Mix)

I've been looking so long at these pictures of you That I almost believe that they're real I've been living so long with my pictures of you That I almost believe that the pictures are All I can feel Remembering You standing quiet in the rain As I ran to your heart to be near And we kissed as the sky fell in Holding you close How I always held close in your fear Remembering You running soft through the night You were bigger and brighter and wider than snow And screamed at the make-believe Screamed at the sky And you finally found all your courage To let it all go

Remembering
You fallen into my arms
Crying for the death of your heart
You were stone white
So delicate
Lost in the cold
You were always so lost in the dark
Remembering
You how you used to be
Slow drowned
You were angels
So much more than everything
Hold for the last time then slip away quietly
Open my eyes
But I never see anything

If only I'd thought of the right words I could have held on to your heart If only I'd thought of the right words I wouldn't be breaking apart All my pictures of you

Looking so long at these pictures of you But I never hold on to your heart Looking so long for the words to be true But always just breaking apart My pictures of you

There was nothing in the world
That I ever wanted more
Than to feel you deep in my heart
There was nothing in the world
That I ever wanted more
Than to never feel the breaking apart
All my pictures of you
