

# The Cure, Play For Today

It's not a case of doing what's right  
It's just the way I feel that matters  
Tell me I'm wrong  
I don't really care

It's not a case of share and share alike  
I take what I require  
I don't understand...  
You say it's not fair

You expect me to act  
Like a lover  
Consider my moves  
And deserve the reward  
To hold you in my arms  
And wait...  
For something to happen

It's not a case of telling the truth  
Some lines just fit the situation  
You call me a liar  
You would anyway

It's not a case of aiming to please  
You know you're always crying  
It's just your part  
In the play for today
