The Cure, Play For Today

It's not a case of doing what's right It's just the way I feel that matters Tell me I'm wrong I don't really care

It's not a case of share and share alike I take what I require I don't understand...
You say it's not fair

You expect me to act Like a lover Consider my moves And deserve the reward To hold you in my arms And wait... For something to happen

It's not a case of telling the truth Some lines just fit the situation You call me a liar You would anyway

It's not a case of aiming to please You know you're always crying It's just your part In the play for today
