

The Cure, Push

Go go go
push him away
no no no
don't let me stay

He gets inside to stare at her
the sleeping mouth
the mouth that knows
the secret you
always you
a smile to hide the fear away
oh smear this man across the walls
like strawberries and cream
it's the only way to be

Exactly the same clean room
exactly the same clean bed
but I've stayed away too long this time
and I've got too big to fit this time
