

The Damned, Born To Kill

i get a calling time of day

beat a lot,a lot of crime away

there's nothing baby i can't take

with that crime,i'm gonna make your body ache

chorus :-

it's no kind of big deal

no carnegie steal

i feel like no heel

well i'm born,i said i'm born

yeah i'm born,i'm born to kill

said i'm born,yeah i'm born

no i'm born,i'm born to kill

jet along and jive my back

don't tread on my toes and don't skid on my back

chedden bone chops are real fine fine fine

well take a chance honey,you can be mine

(repeat chorus)

born to kill,born to kill

born to kill,born to kill
