

The Dandy Warhols, I Am Over It

(All right let's see if we can do this on one take - take)

Ahah ahah ahah

I find out too late when I
I am over it
Ahah ahah eh
And each time dearly escape when I'm
Enough said
Divine, fine

I am over it
I am over it
I am over it
I am over it

I try to keep myself elated and in my right mind
Uhuh uhuh
But one wrong song telling me I've been here too long
Enough said
And I'm gone

I am over it
I am over it
I am over it
I am over it

I find out too late when I
I am over it
Ahah ahah eh
And each time dearly escape when I'm
Enough said
Divine, fine

Ahah ahah eh

I try to keep myself elated and in my right mind
Uhuh uhuh
Ahah ahah eh
But one wrong song telling me I've been here too long
Enough said
And I'm gone

I am over it
I am over it (ahah ahah eh)
I am over it
I am over it
I am over it
I am over it
I am over it
I am over it
I am over it
I am over it (ahah ahah eh)
I am over it
I am over it
