

The Dandy Warhols, I'd Like To Help You With Yo

I'd like to help you with your problem
I'd like to help you with your problem
We hate to see you this way
If there's sincerely is no option
Then a safe distance I shall stay
Suffice it to say
I like it this way
I like it yeah
I'd like to help you with your problem
I think I know you too well
You couldn't get the truth in through the side of your skull
If you had a hammer and a drill
Suffice it someday
You should try it this way
You might like it
Yeah
Those angry ambitions
No style and no vision
Those angry ambitions
Low style and low vision
We'd like to help you with your problem
All of our operators are currently assisting other callers
If this is an emergency, please hang up
Somebody will help you shortly
I'd like to help you with your problem
Yeah, I'd like to help you with your problem
I'd like to help you with your problem
Yeah, I'd like to help you with your problem
