

# The Dandy Warhols, I'd Like To Help You With Yo

I'd like to help you with your problem  
I'd like to help you with your problem  
We hate to see you this way  
If there's sincerely is no option  
Then a safe distance I shall stay  
Suffice it to say  
I like it this way  
I like it yeah  
I'd like to help you with your problem  
I think I know you too well  
You couldn't get the truth in through the side of your skull  
If you had a hammer and a drill  
Suffice it someday  
You should try it this way  
You might like it  
Yeah  
Those angry ambitions  
No style and no vision  
Those angry ambitions  
Low style and low vision  
We'd like to help you with your problem  
All of our operators are currently assisting other callers  
If this is an emergency, please hang up  
Somebody will help you shortly  
I'd like to help you with your problem  
Yeah, I'd like to help you with your problem  
I'd like to help you with your problem  
Yeah, I'd like to help you with your problem
