

The Dandy Warhols, Sad Vacation

Baby get me right down to the crawl
and then you get me right down to the crawl
one more lesson now that's all
one more lesson now that's all
Yeah, yeah, yeah, yeah
Baby get me right down to the crawl
and then you get me right down to the crawl
one more lesson then it cause
one more lesson down it cause

I'm on vacation
I'm gonna change the station
I cannot fake like I cannot hear
anything so ..in here
'cause the more you stay the same
the more you feel like you have to change
so if you can watch me walk away
you can bake but I cannot stay
No way, no way, no way

I'm on vacation
I'm gonna change the station
I cannot fake like I cannot hear
anything so ..in here
'cause the more you stay the same
the more you feel like you have to change
and you can watch me walk away
you can bake but I cannot stay
no way, no way, no way, no way
