## The Dandy Warhols, There Is Only This Time

Only this time What a time it is

Only this time What a time it is

What a time it is What a time it is

Only you and me What a you it is

Only you and me What a you it is

What a you it is What a you it is

Only you and me What a me it is

Only you and me What a me it is

What a me it is What a me it is

Only this time What a time it is

Only this time What a time it is

What a time it is What a time it is
