

The Dandy Warhols, (You Come In) Burned

Well, you come in baby,
You will get burned.
Because I am just what I am, I've learned.
I slowly become some why that you live with.
And mama told you that you would get this.
Hey, I lost you when you took me in, my friend
Now against my will, I still stay out.
Waaaaaay ouuuuut.
Waaaaaay ouuuuut.

I am maybe a loser,
Maybe a sinner.
Either way, a perpetual beginner.
Hey, I lost you when, when you took me in, my friend.
Now against, I still stay out.
Waaaaaay ouuuuut.
Waaaaaay ouuuuut.

Ssssssssssh

Hey, I lost you when you took me in, my friend
Now against my will, I still stay out.
Waaaaaay ouuuuut.
Waaaaaay ouuuuut
