

The Decemberists, I'm Sticking With You

Im sticking with you
Cause Im made out of glue
And anything that you might do
Im gonna do too

You held up a stagecoach in the rain
And Im doing the same
I saw you hanging from a tree
And I made believe it was me

Im sticking with you
Cause Im made out of glue
And anything that you might do
Im gonna do too

We could go into the stratosphere
Soldiers fighting with the con
But with you by my side I can do anything
When we swing we hang past right and wrong

Ill do anything for you
Anything you want me to
Ill do anything for you
Oh, Im sticking with you
Oh, Im sticking with you
Oh, Im sticking with you
Oh, Im sticking with you
