

The Derek Trucks Band, Sweet Inspiration

I need your sweet inspiration
I need you here on my mind every hour of the day
Without your sweet inspiration
The lonely hours of the night just don't go my way

A man in love needs sweet inspiration
And honey that's all I ask, that's all I ask from you
I gotta have sweet inspiration
You know there's just no telling what a satisfied man might do

If I'm out in the rain baby
In a bad situation
I just reach back in my mind to find
Sweet inspiration

Sweet, oh what a power
And I've got the power every hour in the day
I need your sweet inspiration
To go on livin' to keep on givin' this way

Sweet, sweet inspiration (repeat)
