## The Derek Trucks Band, Sweet Inspiration

I need your sweet inspiration I need you here on my mind every hour of the day Without your sweet inspiration The lonely hours of the night just don't go my way

A man in love needs sweet inspiration And honey that's all I ask, that's all I ask from you I gotta have sweet inspiration You know there's just no telling what a satisfied man might do

If I'm out in the rain baby
In a bad situation
I just reach back in my mind to find
Sweet inspiration

Sweet, oh what a power And I've got the power every hour in the day I need your sweet inspiration To go on livin' to keep on givin' this way

Sweet, sweet inspiration (repeat)
