

The Distillers, Colossus USA

whatcha live for when you noone
what ya do and where ya come from
you call i feel a lack of grace
a certain disconnection
dissipated understanding
seems like second slitting
seems like second slitting
in a third world company

i know what you wanted
i know that you want it, want it

well hell yeah
dont walk away
dont walk away
dont walk away

shit

i met a man on the street
he said this is poverty
down-town on broadway st.
i dont really know his name
he said live in the world not for gain

i know what you want, hey
i know that you want it, want it
i know what you wanted
i know that you want it..
