The Distillers, Hall Of Mirrors

I come down like a hurricane sucked up inside Now I spit out the suffer, yeah You say you want a revelation, Revel in this my lover You're free at liberty is this what you want Sometimes I wonder

(Chorus 1)

There's a highway to, to the edge yeah Once a night you will drive yourself there At the end of the road you will find the answer At the end of the road you will drink abyss

I come down like a bloody rain cuts up flesh sky, Pulse beating under, yeah Meat petals bloom in a bone garden Ain't no god, no ghost gonna save you now

I sell souls at the side of the road Would you like to take a number?

(Chorus 2)

There's a highway to, to the edge, yeah Once a night you will drive yourself there At the end of the road you will find the answer At the end of the road you will drink the fear

Take your time, come on, get what you come for don't Waste my time, come on, get what you come for don't Waste my time, come on, get what you come for don't Waste my time, come on, get what you come for

(Chorus 3) There's a highway to, to the edge, yeah Once a night you will drive yourself there At the end of the road you will find the answer At the end of the road you will drink abyss

I watched you burn in the eye of my sun, in the eye of my sun yeah yeah I fucked you in, in the eye of my sun, in the eye of my sun yeah yeah (x2)
