

The Donnas, Better Off Dancing

Going out alone tonight, and I don't even care
I've got an endless appetite, and something's in the air

I'm taking the lead away from you
I know what to do you don't have to show me how to move

Get out of my way, get out of my life, I'm better off dancing
And all I want is something new, I'm better off dancing without you!

I can't hear a word you say, and I don't even care
I'm throwing all your notes away, stop me if you dare

I'm taking the lead away from you
I know what to do you don't have to show me how to move

Get out of my way, get out of my life, I'm better off dancing
And all I want is something new, I'm better off dancing without you!

I don't want to stop, I can't be controlled
I'm moving up, and you're getting old
At the end of the last song
When the lights come on
And everybody's gone
I'll still be dancing

I'm better off dancing, I'm better off dancing (without you)
I'm better off dancing, I'm better off dancing (without you)
