

The Donnas, Rid Of That Girl

See that boy he looks so fine
But he's got a girlfriend my oh my
Kill Kill Kill
Im gonna hit her in the head
im gonna knock her down
im gonna drag her by the hair all over town
im gonna get get get get rid of that girl
im gonna get get get get rid of that girl
im gonna get get get get rid of that girl tonight

Her hair's so blond and her nails-- so long
So I put my Mabelines record on
Kill Kill Kill

I'm gonna drag her ass down to my car
I'm gonna use that Matchlight Mountain Dew fart
I'm gonna get get get get rid of that girl
I'm gonna get get get get rid of that girl
I'm gonna get get get get rid of that girl tonight

Everytime I see him he's with she
Gonna make her legs all wobbly
I can't wait to punchout her teeth
Then that boy will be all for me

So when we pass by her house
On the way to school
He'll no longer say how she's so cool to me.

Get rid of that girl
Get rid of that girl

See that boy he looks so fine
But he's got a girlfriend my oh my
kill kill kill
I'm gonna hit her in the head
I'm gonna knock her down
I'm gonna drag her by the hair all over town
I'm gonna get get get get rid of that girl
Hes gonna get get get get rid of that girl
Hes gonna get get get get rid of that girl tonight
