

# The Doobie Brothers, One Chain (Don't Make No

D. Lambert/B.Potter

Just because in a moment of madness  
I took advantage of your sweet love  
Don't just hand me a lifetime of sadness  
When there's so little I'm guilty of

One chain don't make no prison  
Two wrongs don't make no right  
One rain don't make no river  
One punch don't make no fight

Can you spare me a little affection  
Would that be askin' too much of you  
Don't point love in another direction  
I swear I'll make it up to you

One chain don't make no prison  
Two wrongs don't make no right  
One rain don't make no river  
One punch don't make no fight

There's a bed I'm keepin' empty for you  
There's a lot I know I've got to prove

Don't let a simple misunderstanding  
Be a mountain that we can't move
