

The Doobie Brothers, One Chain (Don't Make No

D. Lambert/B.Potter

Just because in a moment of madness
I took advantage of your sweet love
Don't just hand me a lifetime of sadness
When there's so little I'm guilty of

One chain don't make no prison
Two wrongs don't make no right
One rain don't make no river
One punch don't make no fight

Can you spare me a little affection
Would that be askin' too much of you
Don't point love in another direction
I swear I'll make it up to you

One chain don't make no prison
Two wrongs don't make no right
One rain don't make no river
One punch don't make no fight

There's a bed I'm keepin' empty for you
There's a lot I know I've got to prove

Don't let a simple misunderstanding
Be a mountain that we can't move
