The Doors, Five To One

Yeah, c'mon Love my girl She lookin' good C'mon One more

Five to one, baby
One in five
No one here gets out alive, now
You get yours, baby
I'll get mine
Gonna make it, baby
If we try

The old get old
And the young get stronger
May take a week
And it may take longer
They got the guns
But we got the numbers
Gonna win, yeah
We're takin' over
Come on!

Yeah!

Your ballroom days are over, baby Night is drawing near Shadows of the evening crawl across the years Ya walk across the floor with a flower in your hand Trying to tell me no one understands Trade in your hours for a handful dimes Gonna' make it, baby, in our prime

Come together one more time
Get together one more time
Get together one more time
Get together, aha
Get together one more time!
Get together one more time!
Get together one more time
Get together one more time
Get together, gotta, get together

Ohhhhhhhh!

Hey, c'mon, honey You won't have along wait for me, baby I'll be there in just a little while You see, I gotta go out in this car with these people and...

Get together one more time
Get together, got to
Get together, got to
Get together, got to
Get together, got to
Take you up in my room and...
Hah-hah-hah-hah-hah
Love my girl
She lookin' good, lookin' real good
Love ya, c'mon
