

The Doors, Money

You know the best things in live are free
You can give it to the bears and bees
I want some money
Yeah yeah
I want some money
Yeah yeah

You all give me such a thrill
But your loving can't pay no bill's
I want some money
Yeah
I want some money
Yeah yeah
One time

You all give me such a thrill
But your loving can't pay my bill's
I want some money
Yeah
I want some money
Yeah alright

I want some money
Give me some money
More money babe
I want some money
Yeah yeah
One more time

I want some money
More money babe
Money
I like some money
I want some money
Alright
