The Doors, Peace Frog

There's blood in the streets, it's up to my ankles She came Blood in the streets, it's up to my knee She came Blood in the streets in the town of Chicago She came Blood on the rise, it's following me Think about the break of day

She came and then she drove away Sunlight in her hair

She came
Blood in the streets runs a river of sadness
She came
Blood in the streets it's up to my thigh
She came
Yeah the river runs red down the legs of a city
She came
The women are crying red rivers of weepin'

She came into town and then she drove away Sunlight in her hair

Indians scattered on dawn's highway bleeding Ghosts crowd the young child's fragile eggshell mind

Blood in the streets in the town of New Haven Blood stains the roofs and the palm trees of Venice Blood in my love in the terrible summer Bloody red sun of Phantastic L.A.

Blood screams her brain as they chop off her fingers Blood will be born in the birth of a nation Blood is the rose of mysterious union

There's blood in the streets, it's up to my ankles Blood in the streets, it's up to my knee Blood in the streets in the town of Chicago Blood on the rise, it's following me
